ABOUT THE CONFERENCE

Department of Statistics, University of Lucknow-226007,U.P.,India in conjunction with XXXV Annual Convention of Indian Society for Probability and Statistics (ISPS) is organizing **International Conference on Statistics and Related Areas for Equity, Sustainability and Development (SRAESD-2015) during Nov 28-30, 2015**. The vision of the **SRAESD -2015** is to provide a platform to academicians, researchers, students and practitioners including corporate people for sharing the innovative ideas and trends in Statistics and related areas such as mathematics, computer science, social and physical sciences etc. It will provide good opportunities to present ongoing research and development works in Statistical areas to draw attention of all stake holders including policymakers towards existing and persisting challenges and issues related to equity, sustainability and development with the intent of coming out with a roadmap and strategies to resolve at least some of these issues during three days of academic deliberations in this conference.

Prof. A. R. Kamat Award for best Ph.D. thesis in Statistics instituted by Indian Society of Probability and Statistics (ISPS) will be given during the annual ISPS convention to be held during this conference (November 28-30, 2015). The age limit is 32 years as on 31st May 2015. The last date of submitting the entries is 31st May 2015. Please see the website of ISPS: <http://www.isps1980.org>
