Join As Volunteers IAG_LU_UPSDMA_COVID_19

Appeal to Lucknow University and Affiliated Colleges fraternity

(Teachers, Staff and Students)

Dear Friends,

We are fortunate to be a part of leading and pioneering Institution University of Lucknow in Uttar Pradesh. In this very critical and unforeseen time of Corona virus horror we stand in support of humanity under the visionary leadership of our honourable vice Chancellor Prof. Alok Kumar Rai in collaboration with Inter Agency Group and UP Disaster Management Authority to mitigate the risk and provide all possible support for the sake of all our people specially those living in Uttar Pradesh. We will be following all the precautions of Lockdown and work from safety of our homes for sensitization and awareness generation. We shall keep updating about our future course of action. The primary action is the dissemination of authentic information from the government and WHO and bursting the myth and rumours to generate awareness and avoid panic. You may join us as volunteers and share your inputs at the following email and mobile number.

You may kindly provide the following details about yourself:

Name, Designation/Class, Department, Mobile Number, Email id, Address

Friends this is the time when we realized and understood that we are safe only if each one of us is safe around the globe and we have to make efforts for the same.

Let us pray for safety of everyone and join our hands together in Corona Fight.

This is purely a volunteer platform only to help our people .

Stay Home, Stay Safe

Sincerely yours
Sheela Misra
