A brief about the company:

Established in 1981, NIIT Limited, a global leader in Skills and Talent Development, offers multi-disciplinary learning management and training delivery solutions to corporations, institutions, and individuals in over 40 countries. NIIT has three main lines of business across the globe- Corporate Learning Group, Skills and Careers Group, and School Learning Group.

NIIT's Corporate Learning Group (CLG) offers Managed Training Services (MTS) to market-leading companies in North America, Europe, Asia, and Oceania. The comprehensive suite of Managed Training Services includes custom Curriculum Design and Content Development, Learning Administration, Learning Delivery, Strategic Sourcing, Learning Technology, and Advisory Services.

NIIT's Skills and Careers Group (SNC) delivers a diverse range of learning and talent development programs to millions of individual and corporate learners in areas including Banking, Finance & Insurance, Soft Skills, Business Process Excellence, Retail Sales Enablement, Management Education, Multi-Sectorial Vocational Skills, Digital Media Marketing, and new-age IT. These programs are delivered through a hybrid combination of the '**Cloud Campus**' online platform, satellite-based 'Synchronous Learning Technology' and a physical network of hundreds of learning centres in India, China, and select markets in Asia & Africa. The flagship multi-disciplinary course offerings include the industry-endorsed GNIIT program and a set of Post Graduate Programs for students from different streams, apart from a wide range of specialist short duration programs.

To further strengthen its SNC portfolio in India, NIIT has tied up with industry majors like ICICI Bank for NIIT Institute of Finance Banking Insurance & Training Limited, IFBI; leading business schools in India for NIIT Imperia; Genpact for NIIT Uniqua and NIIT YuvaJyoti Limited, an NIIT subsidiary.

Recently NIIT has introduced – **Stack Route™** an initiative to produce the world's best full stack programmers. **Stack Route™** aims to create multi-skilled, and multi-disciplinary programmers who can become key members of high-performance teams in top notch product engineering companies, start-ups, and IT firms. Further the company has also launched **NIIT.tv** - a digital learning initiative that brings skilling from NIIT classrooms to every digitally connected Indian, for free, at any time and place of their choice. A disruptive innovation by NIIT for the education space. NIIT.tv will deliver for the very first time, skill-based live courses as well as on-demand courses to the masses, through the digital medium.
