In a press conference held on 31st December, 2020, in the committee hall at Vice Chancellor's office, Hon'ble VC presented his report card of his first completed year as Vice Chancellor of University of Lucknow.

After greeting all the media persons he

first released the musical version of the Anthem of University of Lucknow which had been prepared by the Department of Journalism and Mass Communication.

Thereafter Prof. Rai launched the student centric and student friendly scheme "Karmayogi Yojana" in which The university encouraged the students to take up part time jobs in the campus, to support their expenditure partially under the Karmayogi Scheme. The objectives of this Scheme were:

- Make use of students' potential as a valuable human resource
- To help students earn while learn
- To Involve students in activities of the University
- To provide work experience to students before they obtain their real jobs
- To teach students dignity of labour
- To channelize youthful energies of the students in a positive direction

*One of the 3 special student welfare schemes launched on 31st December, 2020.*

For doing the assigned jobs the student will be paid @Rs. 150/hour and would be allowed to work for maximum 2 hours a day, subject to a ceiling of 50 days in an academic session. This ceiling on working hours ensures that jobs are not pursued at the cost of studies. The maximum amount paid to a student in any case under the Karmayogi Scheme would be Rs. 15,000/-.

After that Prof. Rai had informed the media regarding the "advanced ambulance" facility which had been provided by Prof. Dinesh Sharma Hon'ble Deputy Chief Minister of Uttar Pradesh.

After these three very important launch, Prof. Rai relased his one year annual report which had been compiled and prepared by IPPR, University of Lucknow. He said that like faculty member academic appraisal he was also willing to showcase his achievements in his stint of one year as Vice Chancellor in University of Lucknow. Prof. Rai said that during his first year he focused on "Participatory Governance" in which he said that the decision making should be dialogued based and must have three important components

- Speed
- Accuracy
- Transparency

He stated that along with the work done in this year, there are a few more plans that are to be completed in the rest of his term and he looks forward to the same.
