Press Release

Students of how have appeared in the Semester I examinations held in December 2017 and whose results have been declared have to report in their respective Departments and submit a self attested copy of their mark sheet to the Head latest by March 14, 2018. They would be able to deposit the fees for Semester II online through their student login after their details have been verified by the Head. Students who have been promoted to Semester IV and onwards will have to deposit their fees in the Cashiers' office.

Those students who have not yet created their student login have to complete the process of registration before they can deposit the fees. In case the mobile number of the student is changed they can submit an application in the University Data Resource Centre (DTP Cell) in the Administrative Building of University of Lucknow along with a copy of their ID card to get it updated.
