To,
THE REGISTRAR
DR. BHIM RAO AMBEDKAR AGRA UNIVERSITY
AGRA

Confidential

**Subject : U.P. JEE B.Ed.2018: B.Ed. College Basic Details and Seat
Details through Online Registrar portal**

Sir/Madam,

The University of Lucknow in its endeavour to simplify the admission process for JEE B.Ed. 2018 – 20 has created an online system for updation of the college data to be used during counselling. For this we are providing the Registrar login credentials to you through which the college details have to be updated. For your convenience the details of colleges included in the counselling process last year have been provided on the portal.

As explained in the meeting held on April 6, 2018 at Lucknow the complete process was explained and guidelines were also given. The link of this portal is given on the JEE B.Ed. portal of the Lucknow University website (www.lkouniv.ac.in). Your login credentials are given below

User I.D	UNIBRA
Password	1315136

The responsibility of entering these details rests with the Registrar of the concerned University. This system would be open till May 20, 2018 and you can edit this data any number of times till then. The final data would be taken only after the portal is closed and the seat matrix as per the reservation policy would be created on the basis of data provided by you.

You can contact the following if you need any assistance.

- Prof. Anil Mishra = 9415006008
- Dr. Vineet Kumar = 9415704024.

We would be able to provide you online help if you have the **Team viewer** software installed on your system.

With Regards

Sincerely

(NAVEEN KHARE)
