

Department of Physics

University of Lucknow, Lucknow-226007 (U.P.) India

Dr. Rajiv Manohar
Professor

Ref. No.

Date... 13.7.18

To,
The Head
Department of

Dear Sir/Madam

The University of Lucknow has started a **departmental assessment based reward scheme** as an initiative to create healthy competition among departments. The scheme offers some grants for first three ranked departments. Similarly **cash award for quality research papers published** by students and faculty will be given like last year. The detailed proforma of departmental assessment and criterion for short listing quality research papers is available on university website (**under head IQAC \geq downloads \geq Departmental assessment scheme and research promotion scheme**).

You are requested to ask faculty members and students to submit their research papers falling under criterion (along with impact parameter as given by Thompson & Reuter / Scopus) to IQAC office. You are also requested to submit the Departmental assessment proforma to IQAC as per details given on the website.

The last date for both the schemes is 30th September, 2018.

With regards

DR GA
Rajiv Manohar
