Dear Sir,

As you may be aware, the Ministry of Human Resource Development, Govt. of India is organizing a "Leadership for Academicians Program" (LEAP) for the second tier academic leaders who can prospectively take up the roles of Academic Leaders in the coming years. This program comprises of three weeks of extensive training out of which two-week training will be in an Indian institution identified by MHRD and one-week training in a foreign university which is ranked within top hundred of the world universities.

You will be happy to learn that Banaras Hindu University Varanasi is identified as one of the institutions to conduct the LEAP program. We are also glad to inform that we have tied up with Nanyang Technological University, Singapore for conducting the foreign leg of the training program.

On behalf of Banaras Hindu University, I request you to kindly propagate the program amongst the senior faculty members of your institution and nominate 2-3 possible applicants. The website containing complete information and the online application form for this program can be accessed from the website of Banaras Hindu University www.bhu.ac.in. Alternatively, I am giving below the link for the website. The brochure for the program is also attached to this mail.

Thanking you in anticipation of your valuable cooperation.

Yours sincerely

Prof. A. S. Raghubanshi
Director, Institute of Environment & Sustainable Development and
Coordinator, LEAP
