

UGC-NET Webinar Series

10th - 13th June, 2020

12:00 pm – 02:00 pm

Organized by

Department of Psychology

University of Lucknow

NET JRF (National Eligibility Test for Junior Research Fellowship) is one of the most popular schemes started by University Grants Commission (UGC). This exam determines the candidate's eligibility for the award of JRF. It encourages the post graduate students to undertake advanced studies and research work leading to M.Phil / Ph.D. Degrees in Humanities and Social sciences.

Department of Psychology, University of Lucknow, proposes a webinar series to facilitate UGC NET aspirants in their preparation for this competitive examination. An attempt will be made to make the sessions interactive to solve the problems of students regarding specific topics.

This Webinar Series is conducted with following objectives:

To resolve the problems that students are facing while studying UGC NET syllabus (of Psychology)

To provide an opportunity for interface between students and teachers where students will be given an in-depth knowledge for the concepts that seems difficult for them.

This platform will give the students an opportunity to discuss their problems and resolve their issues. Speakers of web series will be permanent faculty members, guest lecturers and alumni of the department.
