Career Domain invites you for the internship program in one of the prominent EdTech start-ups in India & to be a part of the revolution of the Indian education sector.

Kindly find the job description attached below.

Job Description

Psychology Intern

We are looking for Smart, Innovative, and Self-driven people to join us on the journey of revolutionizing the education sector.

As a Psychology Intern person, you will be working alongside the top-level management in a high-growth journey start-up. Your responsibilities include but will not be limited to:

- Represent the values and mission of the Career Domain and serve as a role model to students.
- Serve as an ambassador for the Career Domain.
- Attend mandatory, regularly scheduled psychology intern meetings and training.
- Attend regular one-on-one meetings with supervisor and Career Domain staff meetings.
- Complete marketing initiatives in a professional and timely manner.
- Reach out to students and student groups on behalf of the Career Domain.
- Support organization policies and guidelines.
- Maintain confidentiality.
- Other duties as assigned or as interests develop.

Qualifications & Skills Required

- Bachelor's/Master's degree in Psychology (pursuing/Completed).
- Good knowledge & user Experience of MS Excel.
- Fluent in English - written and spoken with a passion for technology.
- Strong sense of initiative, self-starter.
- Strong business acumen, ethics and high integrity.
- Excel at developing relationships over telephonic communications.
- Must be organized, articulate and detail-oriented with the ability to multitask in a dynamic, fast-changing environment.
- Team Management skills.
- Decision Making Skills.
- Presentative.

Our Benefits Include

- Certificate of Internship & Recommendation letter (On successful completion of the internship).
- Exposure to the startup environment.
- Friendly & Happy working Environment/Work from home.
- You will be directly associated with the top-level management.
- You will gain experience in a start-up environment & how things work in top-level management.
