

“Vivekananda believed that the key to success is to keep trying with determination and resilience, even when faced with obstacles. Every student who wants to succeed in life should read and follow the teachings of Swami Vivekananda,” said LU vice-chancellor Prof Alok Rai while garlanding Vivekananda's statue.

She said that to commemorate the occasion, competitions such as debates, extempore speeches and essay writing are planned. However, due to ongoing examinations, these competitions will be held on Jan 15.

Meanwhile, at DSMNRU, a special event was organised at the university's library, during which vice-chancellor Prof Sanjay Singh and university teachers shared how Vivekananda's teachings can bring about positive changes in everyone's life and help one attain success.
