

लखनऊ विश्वविद्यालय, लखनऊ University of Lucknow, Lucknow

Press Note 06 April 2020

Global pandemic SARS-COVID19 is standing in front of the entire world today like an insurmountable mountain, a challenge unlike any other we have ever faced. Each and every country is doing whatever they can to face it, and overcome it via battle, and rescue and relief plans. University of Lucknow has been continuously airing awareness programs and appeals to maintain personal hygiene at all times, to wash hands and to be kind to others at this time of adversity via TV, social media, print media and all other platforms of communication. In this context, today on 6th April, 2020, Hon'ble Vice Chancellor of University of Lucknow, Prof. Alok Kumar Rai inaugurated the University's Community Kitchen at Nivedita Girls' Hostel in the presence of Chief Proctor Prof. Dinesh Kumar, Chief Provost Prof. Manuka Khanna, NSS Program Coordinator Dr. Rakesh Dwivedi, IPPR Director Dr. Durgesh Srivastava and Warden (Nivedita Girls' Hostel) Prof. Amita Kanaujia,

University of Lucknow has been at the forefront of the battle against COVID19. Vice Chancellor Prof. Alok Kumar Rai informat that the University's Department of Chemistry has prepared the indigenous hand sanitiser LU-CHEM, and its Faculty of Ayurveda has designed an immunity boosting drink LU-RAM19. The Community Kitchen is another such initiative. The food packets being prepared at this Kitchen are being handed over to the representatives of the district administration for distribution among the needful. These packets will be prepared twice everyday by the University.
