

## **Visit of students from Vigyan Foundation, Lucknow to Happy Thinking Laboratory in University of Lucknow**

Thirty underprivileged from Vigyan Foundation visited Happy Thinking Laboratory on 6<sup>th</sup> May 2022. Vigyan Foundation is a non-government organization working for the rights of most vulnerable and marginalized communities. This organization provides education to the girls living in urban slum areas. The coordinator of Vigyan Foundation Miss. Priya coordinated the visit. Prof. Madhurima Pradhan, Dr. Manini Srivastva and Dr. Megha Singh University of Lucknow interacted with the girls. The girls asked many questions related to the admission process and various courses being run in University of Lucknow. In addition they also asked question related to life, family issues and the ways to manage their stress.
