Report

Happy Thinking Laboratory (HTL) and the Counselling & Guidance Cell (CGC), in association with the Department of English & MEL, University of Lucknow, organized a panel interface on Gen Next Global Education and Career on 6th February, 2026. The event was held under the esteemed patronage of Prof. Jai Prakash Saini, Hon'ble Vice Chancellor, University of Lucknow, whose support for interdisciplinary initiatives has enriched the university's academic growth.

The event was started with the lightning of the lamp by the esteemed guests, Prof. Nazneen Khan, the Head of the department of English and MEL, Prof. M. Priyadarshini, Director of Happy Thinking Laboratory, Prof. Vaishali Saxena, Director of Counselling and Guidance Cell, University of Lucknow, and the other faculty members of the department.

The objective of this event was to give information about the multiple courses like; in humanities, law, engineering and exchange their views about the research and postdoc programmes with the faculty members and students. They also suggest that how to get access to research lab, think tab, job opportunities, online practice training and other organizations in abroad.

The session was started by the first speaker, Abhyuday Rai, University of Buffalo. He talked about what is the background of his university and research programmes and other possibilities of students for learning various courses. He suggested that the students can look into management programmes and engineering programmes. He also talked about the fee structure of different year programmes in his university.

The next speaker was Rachel Aderson, Savannah College of Arts and Design discussed about the human development courses, education counseling, multiple scholarships and up skilling the courses opportunities. She also talked about language proficiency and the programs related with international affairs.

Further, RosanLalan discussed about the programs in fashion designing, films and history of cinema, also talks about the benefits of joining other English language programmes.

The session was then addressed by Supriya Nayak from NKU Tandon School of Engineering. She also discussed about university and education which is provided there like English literature courses and creative writing programmes. In response to the question asked by the scholar present in the session she replies that the course was designed as per the students satisfaction, well-being and holistic development. She further talks about the facilities of hostels, course of International business and also the process of applying there.

Rest of the speakers like Naman Tyagi from Coventry University, Tripti Gurung from George Mason University, Megha Yadav from George Washington University, Zoe Pye from Liverpool Hope University, Sheela Thyagaraj from Next Gen Education and Sheral Kumar from Next Gen Education discusses about their institutional campuses, UG, PG, PhD Programme, Medical and Engineering Programmes and Online Degree courses. The session ended by giving the vote of thanks and best wishes by Professor Vaishali Saxena for the successfully completing the enriching session.
