# INTRODUCTION

The appointment of teachers in secondary institutions recognised by the Board of High School and Intermediate Education was governed by the Intermediate Education Act, 1921 and regulations made thereunder. It was felt that the selection of teachers under the provisions of the said Act and the regulations was some times not free and fair. Besides, the field of selection was also very much restricted. This adversely affected the availability of suitable teachers and the standard of education. It was therefore, considered necessary to constitute Secondary Education Service Commission at the State level, to select Principals, Lecturers, Head-masters and L.T. Grade teachers, and Secondary Education Selection Boards at the regional level, to select and make available suitable candidates for comparatively lower posts in C.T./J.T.C./B.T.C.
