

Prof. Poonam Tandon
Dean of Students' Welfare

27th April, 2020

Launch of **"TREE (Teaching, Reaching, Emboldening, Evolving)"**, a **Mentor-Mentee Programme** of University of Lucknow

It gives me great pleasure to announce the launching of the student support initiative, **"TREE programme"**. This programme aims to utilize the academic and life experience of faculty to nurture, empower and abet students in their transition from students to successful confident citizens. Under the **"TREE programme"** the following steps are initiated:

Under TREE, each faculty would be expected to

1. Each faculty will mentor a set of post graduate students from their own department from entrance to exit.
2. The responsibilities of the mentor will be to
 - a. Listen, learn and respond to difficulties faced by the students in their curricular, extracurricular as well as personal lives.
 - b. Guide both academically and socially.
 - c. Ensure the facilitation of untapped as well as tapped potential
 - d. Work as an anchor to their mentees
 - e. Train them into responsible, confident, successful individuals.

All departments uploaded Mentor-Mentee on the Departmental Webpage of the University website.

Yours Sincerely,

(Poonam Tandon)
