The National Policy on Education (NEP) 1986 in its programme of action makes a pointed reference to the crucial link between teachers' motivation and the quality education.

Keeping the above objectives in view, the following were proposed:-

- a. To organize specially designed Orientation Programme in Pedagogy, Education Psychology & Philosophy & Socio Economic & Political Concerns for all new entrants at the level of lecturers;
- b. To organize such Orientation Programmes and Refresher Courses for serving teachers, covering every teacher at least once in three to five years;
- c. To organize specially designed Orientation Programmes / Refresher Course in IT for new entrants as well as for in-service teachers; and
- d. To encourage teachers to participate in Seminars, Symposia, Workshops etc.

Objectives of the Human Resource Development Centre The objectives of the Human Resource Development Centre are to enable newly appointed lecturers to:

- a. understand the significance of Education in general, and Higher Education in particular, in the Global and Indian contexts;
- b. understand the linkages between Education and Economic and Socio-Economic and Cultural Development, with particular reference to the Indian polity where democracy, Secularism and Social Equity are the basic tenets of Society;
- c. acquire and improve art of teaching at the college / university level to achieve goals of Higher Education;
- d. keep abreast of the latest developments in their specific subjects;
- e. understand the organization & management of college/university & to perceive the role of teachers in the total system;
- f. utilize opportunities for development of personality, initiative and creativity; and
- g. Promote computer literacy as well use of ICT in teaching and learning.
