To Whom It May Concern

This is to certify that Shri Aditya Kumar, a student of M. Sc. Programme (Statistics) at the Lucknow University, joined the Giri Institute of Development Studies (GIDS), Lucknow on 14 June, 2019 as an intern under my supervision. Over the past one month, he had completed a structured questionnaire-based sample survey of 57 domestic helps in the different neighbourhoods of the Lucknow city, and learned 'how to make a database of primary information collected from the samples by coding the qualitative information and feeding both qualitative and quantitative data on CS Pro software'. He has also learned 'how to transfer this database/data sheet from the CS Pro to SPSS' and make them useable for tabulation, analysis and drawing inferences.

During his one month internship at the GIDS, I found him sincere and hardworking. I wish him all academic success in life.

Animesh Roy

Subject : Internship

Dear Mr. Aditya Mishra,

This is to welcome you to IHAT and confirm your appointment to the position of Student Intern in the MNCH Department of India Health Action Trust, Lucknow. The effective dates of your internship are from 20th May 2019 to 5th July 2019.

This position reports to **Mr. Ravi Prakash, Deputy Director, Monitoring & Evaluation or anyone else designated by him**, under whose supervision, you will be working. Your primary work location will be at the State Office of India Health Action Trust, Lucknow.

This position's standard work week is from Monday to Friday and normal work hours are 9:00 am to 5:30 pm; you may discuss your specific schedule with your department supervisor.

In this position your specific job duties will be discussed with you upon commencement of your internship by your department supervisor. **During the internship period, the interns will not be compensated as per the organization's policy and procedures.**

Student internships are programs that provide students with exposure to workplace activities which are related to the intern's field of study. As a student intern serving at the designated department, either you or the department may discontinue / terminate your internship assignment at any time with or without cause or prior notice. Student interns are not members of the IHAT direct employees system and are not covered by provisions governing the direct IHAT employees.

Please understand that the provisions of this letter do not constitute an expressed or implied contract but rather a statement of a number of matters important to you. If you have any questions about your position or any information in this letter, please contact HR Unit, Lucknow.

Congratulations on your selection as Intern, and again, welcome to IHAT.

Sincerely,

Sr. Manager - Human Resources
IHAT, Lucknow

TO WHOM IT MAY CONCERN

This is to certify that Ms. Jyoti Negi has done her internship in Institute of Applied Statistics and Development Studies (IASDS), Lucknow, from May 21, 2019 to June 20, 2019.

She has worked on a project titled "Measuring Stress in Full Time Working Women of Lucknow District Using Standard Form 36". As part of the project, she learned about concepts related to survey based research studies and its applicability in field. She also learned about research tool development and data analysis using SPSS.

During the internship she demonstrated good skills with a self-motivated attitude to learn new things. Her performance exceeded expectations and was able to complete the project successfully on time.

We wish him all the best for his future endeavors.

(Handwritten Signature)
(S. P. Singh)

Ms Pooja Arya
B 1909 Indira Nagar
Lucknow - 226 016

Mobile No. 91-8400225754

Subject: Internship

Dear Ms Pooja Arya,

This is to welcome you to IHAT and confirm your appointment to the position of Student Intern in the M&E Department of India Health Action Trust, Lucknow. The effective dates of your Internship are from 20th May 2019 to 5th July 2019.

This position reports to Mr. Ravi Prakash, Deputy Director, Monitoring & Evaluation or anyone else designated by him, under whose supervision, you will be working. Your primary work location will be at the State Office of India Health Action Trust, Lucknow.

This position's standard work week is from Monday to Friday and normal work hours are 9:00 am to 5:30 pm, you may discuss your specific schedule with your department supervisor.

In this position your specific job duties will be discussed with you upon commencement of your internship by your department supervisor. During the internship period, the interns will not be compensated as per the organization's policy and procedures.

Student internships are programs that provide students with exposure to workplace activities which are related to the intern's field of study. As a student intern serving at the designated department, either you or the department may discontinue / terminate your internship assignment at any time with or without cause or prior notice. Student interns are not members of the IHAT direct employees system and are not covered by provisions governing the direct IHAT employees.

Please understand that the provisions of this letter do not constitute an expressed or implied contract but rather a statement of a number of matters important to you. If you have any questions about your position or any information in this letter, please contact HR Unit, Lucknow.

Congratulations on your selection as Intern, and again, welcome to IHAT.

Sincerely,

Sr. Manager - Human Resources
IHAT, Lucknow

TO WHOM IT MAY CONCERN

This is to certify that Ms. Madhu Singh has done her internship in Institute of Applied Statistics and Development Studies (IASDS), Lucknow, from May 21, 2019 to June 20, 2019.

She has worked on a project titled "Measuring Stress in Full Time Working Women of Lucknow District Using Standard Form 36". As part of the project, she learned about concepts related to survey based research studies and its applicability in field. She also learned about research tool development and data analysis using SPSS.

During the internship she demonstrated good skills with a self-motivated attitude to learn new things. Her performance exceeded expectations and was able to complete the project successfully on time.

We wish him all the best for his future endeavors.

S.P. Singh
