

## Interactive Session- 13<sup>th</sup> February, 2021

*“I feel really happy to return my alma mater where I am coming after 34 years”* said Mr. Amarjeet, Executive Director, in an interactive session on “Primary Markets, Corporate Governance and Compliance in Changing Dynamics of Security Market”, organized by Lucknow University Consultancy Clinic (LUCC) PARAMARSH in collaboration with Department of Business Administration, University of Lucknow, AWOKE India Foundation and LMA on February 13<sup>th</sup>, 2021 at 3:00 pm in the Department of Business Administration, University of Lucknow. His lecture was very interesting, thought provoking and stimulating. Students posed several questions pertaining to collation, reasons for disconnect between negative growth in GDP and rising market capitalization and comparison of Indian markets with other Asian countries.

Dr Ritu Narang, Director, LUCC PARAMARSH, welcomed everyone and shared how at the start of COVID 19, the security market experienced some turbulence but soon started to recover and perform beyond expectations. She also commented that various IPOs such as UTI AMC, Angel Broking and Equitas that were launched during this period have received an overwhelming response. Dr Narang feels that SEBI has played a significant role in keeping the market steady.

A large number of students, faculty members and other members of various associations attended the session.
