Password: life

LUCC PARAMARSH team under the dynamic leadership of Dr. Ritu Narang convened a virtual meeting with the teachers of Department of Home Science to discuss and deliberate upon the issues related with providing Consultancy Services in the field of Home Science. The meet was organized to assess the potential areas for Consultancy under Home Science. The meeting was held on ZOOM platform (zoom id - 88478222090) at 4:00 pm on 16th June 2021. Dr Narang was accompanied by her team members, Er. M.K. Jain and Er. Ranvijay Pratap Singh.

Dr. Ritu Narang, Director introduced the Consultancy Policy-2020 and the role of LUCC PARAMARSH. During the session, she explained the vision and *modus operandi* of PARAMARSH with the help of power point presentation. Those who attended the online session included Dr Meera Singh and Dr Devina Sahai from the department while teachers namely, Dr N.K. Singh, Dr Monisha Banerjee, Dr Shalie Malik etc. from Department of Zoology were also present.

Director LUCC informed the house about the potential benefits of consultancy work and role that can be played by the Faculty of Home Science. She elaborated that consultancy can enhance the horizon of work apart from fetching additional revenues for the University and the Faculty. Consultancy work can contribute in a big way towards strengthening 'University Brand' and can bring laurels to University for its collaborative associations with potential.

After introductory presentation, she invited the faculty members to present their ideas and views regarding the consultancy projects.

Dr. Meera Singh and Dr. Devina Sahai from the Department of Home Science shared their views and threw light on the potential areas where the department can be beneficial to the clients and the society through consultancy work. The scope of Home Science in the field of Consultancy is really vast, as Home Science deals with the Community Development and provides practical education in five fields including specialized fields of Nutrition, Fashion Designing, Gender Issues, Health and Hygiene, Food Safety, Food Processing, etc. After discussions, it was concluded that the Home Science Department views the provision of Consultancy Services in a very positive way and can work for it with full potential, if suitable ecosystem is worked out at the University level.

The meeting ended with vote of thanks to the organizers of the Meeting.
