The University of Lucknow is an institution shaping Indian education since the pre independence era. The University has manifested diverse educational streams and has catered to India's needs and requirements for nearly 99 years. The mission of the University is, to be a University driven by values enriched with diverse cultures, to promote economic, social and spiritual advancement for an egalitarian society. It has a vision, to develop human resource for furtherance of knowledge through teaching, research and innovation and ranked amongst the top educational institutions of the world for the better service to the humanity in general and our nation in particular.

The students of University of Lucknow, those have shined on India's zenith include names like Dr. Shankar Dayal Sharma- former President of India, Surjit Singh Barnala- Governor of Tamil Nadu, Syed Sibtey Razi -Governor of Jharkhand, K.C. Pant- former Union Minister and Dy Chairman Planning Commission, Prof. Ahmed Ali- English novelist, Urdu short story writer, C.M. Naim- writer and academician, Kavi Pradeep, noted poet and lyricist, Swami Chinmayananda- founder of Chinmaya Mission and Vinod Mehta- journalist. This galaxy of students is just to name a few amongst many. Today many of its students are serving for India's scientific innovations, social causes, political agendas, academic institutions and corporate to steer India and humanity as whole in this era of globalization.

The University has students and teachers hailing from diverse backgrounds and academic streams which give the University a distinct and cosmopolitan structure. The 43 departments and allied institution give the University a genuine stature for providing universal education under one roof. The institution has deep cultural roots and pervading atmosphere of respect to each other and this gives it a real democratic standing.

The University is an innovative institution and has embedded practices to capture innovation through its pedagogy. The University initiates new courses in demand with the times. The University also develops new academic relationships with academic institutions within India and outside the country. The University has made organic growth by introducing new courses as well as expansion through new colleges. Today the University has nearly 171 associations as affiliated and autonomous colleges.

The University has impeccably chosen the processes to put the systems in place. Development of new systems has to undergo a pre designed system of a given set of committees and bodies to approve various processes ensuring quality delivery and compliance of regulatory mechanisms. The University is highly responsive to the needs of the scheduled castes, scheduled tribes, other backward castes, minorities and differently able
