

# **M. Tech. (Part-Time) Admissions-2023**

**Information Brochure  
Academic Year 2023-24**

***Faculty of Engineering & Technology***

***University of Lucknow***

## 1. The Faculty of Engineering & Technology

The Faculty of Engineering & Technology was re-established in 2017, as one of the faculties of the University of Lucknow. The vision of Faculty of Engineering and Technology (FoET) is to be globally renowned for imparting quality engineering education in pioneering interdisciplinary technology. The FoET's mission is to produce morally aware, dynamic, competent engineering professionals and leaders who shall steer the nation to a better future. The Faculty offer B.Tech. programme in six branches of Engineering i.e. **Civil Engineering, Computer Science & Engineering, Computer Science & Engineering (Artificial Intelligence), Electrical Engineering, Electronics & Communication Engineering and Mechanical Engineering**. The Faculty also offers BCA & MCA programmes. The admission in B.Tech. & MCA takes place through UPTAC organized by AKTU based on the score of JEE (MAINS), conducted by **National Testing Agency (NTA)** whereas admission in BCA & M.Tech. (Part-Time) takes place as per University of Lucknow guidelines. The FoET has made substantial contribution to the academia and provides experience through internships in core companies of respective branches, along with expert talks, live projects, workshops and upscale labs.

The Faculty of Engineering & Technology is located in the second campus of the University of Lucknow, Jankipuram extension, Lucknow. The second campus, accommodates Faculty of Law, Institute of Management Sciences and several other professional courses. Large stretches of this campus are covered by green belt. The Eco-friendly practices and teaching-learning are planned to be combined together to promote sustainable development. Furthermore, initiatives have also been taken towards energy conservation and tapping of solar energy in the campus.

## 2. M. Tech. (Part-Time) Admissions

Faculty of Engineering & Technology, University of Lucknow invites applications for M. Tech. (Part-Time) programme in Electrical Engineering and Mechanical Engineering branch beginning from July 2023 semester, in the following **specializations**:

- (i) Electrical Engineering (*Power System*)- 20 seats
- (ii) Mechanical Engineering (*Industrial and Production Engineering*)-20 seats

## 3. Reservation of Seats

Seats are reserved for Indian Nationals under the categories, SC/ST/ EWS/ OBC-NCL according to the University norms.

## 4. Minimum Eligibility

Candidates satisfying the following norms are eligible:

Admission to M. Tech. (Part-Time) programme first year in First Semester will be made by University of Lucknow through a written test and interview as per university norms.

The minimum academic qualification for appearing in the entrance test will be a Bachelor's degree in Engineering/Technology or equivalent in the relevant branch with minimum 60% marks (55% for SC/ST candidates) from any recognized Indian University, or its equivalent, recognized by AIU.

There is no age limit for the admission in M. Tech. (Part-Time) programme.
