**TITLE: GENDER EQUALITY AND HEALTH**

On the 8th of December, 2023, the **Dr. Giri Lal Gupta Institute of Public Health and Public Affairs** celebrated the Phase-3 of Mission Shakti. The theme of the program was ‘Gender Equality and Health’. The Director of the institute Prof. Shalie Malik welcomes the guests and gave the opening remarks. Then Prof. Madhurima Lall, Convener of Mission Shakti, University of Lucknow shared the vision of Mission Shakti, **शिक्षित होगी बालिका तो समाज और राष्ट्र सशक्त होगा** an initiative by UP Government to reduce crime against women. The objectives and principles of Mission Shakti were discussed in the evening. Mission Shakti was launched in October last year with an emphasis on safety, dignity and empowerment of women and girls. It also focuses on the rights of children, sexual crime against women and girls and adoption of orphaned girls. The Guest speaker **Ms Vandana Mishra, PPS, Deputy Commandant, 15<sup>th</sup> Battalion, PAC Agra** has shared the insights on the topic ‘**Gender Equality and Health**’. She highlighted the importance of Gender equality, girl education, women health and empowerment through her lecture. She also discussed about the significant roles as citizens of state that one must follow. She stressed that communities, countries and ultimately the world are only as strong as the health of their women. In the end, she answered all the queries raised by the students and asked the audience to take a pledge to eliminate the violence against women and girls at every level, including family, community, nation and international activity, prevention of all forms of physical, sexual and psychological abuse, access to information, rights education and opportunities for legal protection.

Before the lecture, an essay competition was organized at the institute on the topics:

- a) Gender Bias in Health
- b) Is Education Alone Helps in Achieving Gender Equality

Students enthusiastically participated in the event and winners were given prizes and appreciation certificates.

# Mission Shakti

(An Initiative by the Government of Uttar Pradesh)

Theme: *Wujood-e Zan Se Hai Tasweer-e Kainaat Mein Rang*

The Department of Persian, University of Lucknow, under the aegis of Mission Shakti Phase-III (an initiative by the government of Uttar Pradesh), organized a cultural extravaganza entitled *Wujood-e Zan Se Hai Tasweer-e Kainaat Mein Rang* today i.e. 16<sup>th</sup> December, 2023 at 11:00 am. The program lasted for two hours in which the students of the Department showcased their talents in poetry and speeches. Besides, hand made posters by the students of the Department of Persian were also displayed on the occasion.

The program started with the welcome of the esteemed guests. It was a small and compact assembly of students, both former and current ones, as well as faculty members from the Department and associated colleges. It was, in fact, a galaxy of academicians, litterateurs and enthusiasts of Persian literature. Prof. Abdul Haleem from the Department of Persian, Jmaia Millia Islamia, New Delhi and Dr. Tasneem Kausar Chishti from the Dept. of Persian, Karamat Husain Muslim Girls P.G. College, Lucknow added to the significance of the event with their benign presence.

The girl students of the Department welcomed the esteemed guests with a welcome song *Swagatam, Swagatam...* Dr. Syed Ghulam Nabi Ahmad, Assistant Professor, Department of Persian, University of Lucknow, formally delivered welcome address. He singled out Prof. Madhurima Lall, the Convener of Mission Shakti Phase-III, for special praise for her sincere efforts towards women empowerment. He also threw light on the importance of women in literature saying that there have been strong female characters in almost every literature. After formal welcome address, the students of the department delivered illuminating speeches on women empowerment. They spoke at length on the issues faced by women nowadays. Domestic violence, increasing crimes against women, safety of women, female education etc. were some of the issues on which the students spoke their heart out giving the audience some food for thoughts on an all important issue of women empowerment.

In the next segment of the program, the students of the Department recited Urdu ghazals and enthralled the audience with their beautiful rendition of poetry. Woman power was at its full

circle in this particular program in which many budding poets and poetesses manifested their creative self and vented ire against the indolent and insensitive approach of society towards problems and issues concerning the women of the country. A woman dons different roles of a daughter, sister wife and mother with great elan and never wilts under pressure... at times she epitomises tender emotional feelings of a mother and at times she is as firm as rock...these were some of the ideas which were beautifully reflected in the poetry of the students.

After the Ghazal recitation program was over, Dr. Shabib Anwar Alvi, Assistant Professor, Dept. of Persian, University of Lucknow, appreciated the efforts of the students in his brief speech saying that nowadays the perception of common people towards girl child has changed and people are more welcoming and happier in their approach at the birth of a girl child than a baby boy. He lauded the efforts of UP government for taking a proactive role towards women empowerment and also thanked Prof. Madhurima Lall for executing the Mission Shakti program so efficiently.

Prof. Madhurima Lall, in her presidential address, spoke widely on the scope, objective and the mission of the Mission Shakti program launched by the Uttar Pradesh government. Moreover, she lavishly praised the efforts of the students of the Department of Persian for putting up such a splendid show. She was also forthcoming in recognizing the efforts of Dr. Arshadul Quadri, Assistant Professor, Department of Persian, and the coordinator of the program, for conceiving the whole event. She also thanked HoD, Persian, Prof. Umar Kamaluddin for grooming his students so well.

Last but not the least, Prof. Umar Kamaluddin, Head, Dept. of Persian, University of Lucknow, formally proposed vote of thanks to finally put curtain on a magnificent cultural extravaganza on women empowerment. He showered generous praise on Prof. Madhurima Lall for her support and motivation. He honestly admitted that it was due to the encouragement and motivation of Prof. Lall that such a wonderful program could see the light of the day. The program finally concluded with high tea hosted by the Department of Persian. Meanwhile, hand made posters depicting various facets of women were also on display which were well appreciated by the audience.

## Report on Mission Shakti

The Department of Chemistry organized an event which is part of the Mission Shakti initiative of the Government of Uttar Pradesh on November 2, 2023. The speaker for the event was **Dr. Shiwani Mishra**, who is a Freelance Writer, Women Related Issues Specialist, Spiritual Counsellor and Past Life Regression Therapist. **Dr. Amrita Srivastava**, Department Coordinator of Mission Shakti introduced the theme of this event. **Prof. Anil Mishra**, Head of the Department welcomed the guests and mentioned the importance of such activities and lauded the initiative taken by the Government. **Prof. Vijai Kumar Rai** presented a memento to Dr. Shiwani Mishra and Dr. Joy Sarkar presented the memento to Prof. Madhurima Lal.

In the beginning, short speeches on theme of the event were delivered by Anjali Karki, a student of M.Sc. Chemistry Semester I and by two research scholars Faraz Ghous and Pulkit Sharma and on the theme of this event. Thereafter Dr. Amrita Srivastava, introduced the speaker to the audience.

Speaking on the topic **Mahila: Ateet se Prerna** (Women: Inspiration from the past) under Mission Shakti, Dr. Mishra said that problems related to women were very serious in the medieval period like - child marriage, purdah system, female feticide, pitiful condition of widows, social insecurity, dowry, illiteracy, Sati practice etc. These did not exist in the early Vedic period of Indian civilization however some of them are still prevalent in some parts even today.

Yajnopavita was performed for girls and thereafter they were provided education. They were also given military training along with other skills such as weaving clothes, performing various religious rituals, driving chariots, composing mantras etc. The mantras composed by women in all four Vedas prove their knowledge. In Rigveda alone, we find mantras written by twenty six women, some of them are Apala, Ghosha, Aditi, Vishvavara, Romasha etc. At that time, young men and women used to understand each other before getting married. The status of woman in the family was that of an empress.

Learning from the Vedic period, we have to educate the male section of the society towards women. Although nowadays the situation is improving a lot due to various efforts made by the government like Beti Bachao Beti Padhao etc., still more efforts have to be made in the field of education.

Only a self-reliant and confident daughter can again give us a golden age like the Vedic period.
