Call for the position of Junior Research Fellow (JRF)

Applications on plain paper with bio-data are invited for the post of JRF under SERB SURE project (SUR/2022/003187). The project work is to be undertaken broadly in the area of Statistics, particularly, in the area of sampling techniques and further regarding their robustness under the supervision of Prof. Shashi Bhushan, Department of Statistics, University of Lucknow, Lucknow. The selected candidate may get enrolled as a Ph.D. research scholar as per the University rules.

Project Title: Robust inferential procedures under ranked set sampling protocols with correlated measurement errors.

Funding Agency: Science and Engineering Research Board (SERB), Government of India.

Project Duration: Three year maximum (The selected candidate may get the opportunity to enrol in the Ph. D. program as per the University norms).

Minimum Qualifications: M.Sc. in Statistics with minimum 55% marks preferably specialization in Sampling Techniques and NET qualified. The maximum age limit for JRF is 28 years as on the last date of the advertisement, which may be relaxed to reserve category candidates as per norms.

Desirable: Knowledge of LaTeX and R programming.

Amount of fellowship: Rs. 31000/- P.M. salary + Rs. 4960/- HRA.

How to apply: Application with full details like qualifications, age, corresponding address, email ID, Mobile/WhatsApp number etc. with proof of details should be emailed at profsbhushan@gmail.com or bhushan_s@lkouniv.ac.in within 14 days from the date of advertisement. The shortlisted candidates will be informed regarding the date of the interview only through email/ WhatsApp/ Telephone. No TA/DA will be given to candidates for appearing in the interview.

Note: The position is purely temporary and co-terminus with the project.

(Prof. Shashi Bhushan)
