1. The Faculty of Engineering & Technology

The Faculty of Engineering & Technology was re-established in 2017, as one of the faculties of the University of Lucknow. The vision of Faculty of Engineering and Technology (FoET) is to become globally renowned for imparting quality engineering education in pioneering interdisciplinary technology. The FoET's mission is to produce morally aware, dynamic, competent engineering professionals and leaders who shall steer the nation to a better future. The Faculty offer B.Tech. programme in six branches of Engineering i.e. **Civil Engineering, Computer Science & Engineering, Computer Science & Engineering (Artificial Intelligence), Electrical Engineering, Electronics & Communication Engineering and Mechanical Engineering**. The Faculty also offers BCA & MCA programmes. The admission in B.Tech. & MCA takes place through UPTAC organized by AKTU based on the score of JEE (MAINS) for B.Tech. and CUET(PG) for MCA conducted by **National Testing Agency (NTA)** whereas admission in BCA & M.Tech. (Part-Time) takes place as per University of Lucknow guidelines. The FoET has made substantial contribution to the academia and provides experience through internships in core companies of respective branches, along with expert talks, live projects, workshops and upscale labs. The Faculty of Engineering & Technology is located in the second campus of the University of Lucknow which is based in area Jankipuram extension, Lucknow. The Eco-friendly practices and teaching- learning are planned to be combined together to promote sustainable development. Furthermore, initiatives have also been taken towards energy conservation and tapping of solar energy in the campus.
