(Advt. no. RF/ COEBI /01/2018)

Applications are invited for the following purely temporary positions under the Centre of Excellence in Bioinformatics (COEBI), established from Government of U.P.

Research Fellow - 02: Pay @ Rs. 16000/month fixed.

Essential Qualifications: M. Sc. in Bioinformatics with first division.

Desirable: Experience in Molecular Modelling/ Database Development.

Number and nature of the positions may vary. All the positions are coterminous with the financial support.

Apply on plain paper giving bio-data with photograph, mobile number and email address along with self-attested copies of the certificates. Application must reach to the following on or before **March 12, 2018**.

Only short listed candidates will be called for Interview. Separate letter will be sent through email for the interview. Candidates appearing for the interview will not be paid TA/DA.

Send application at following address:

Prof. U. N. Dwivedi,
Coordinator,
Center of Excellence in Bioinformatics,
Department of Biochemistry,
University of Lucknow,
Lucknow – 226007

**Institute for Development of Advance Computing (IDAC)
ONGC Centre for Advance Studies (OCAS)
University of Lucknow
Lucknow-226007**

Applications are invited for the following purely temporary positions under the Institute for Development of Advance Computing (IDAC) established out of the grant received from Government of U.P.

1. Senior Research Professional - 01: Pay @ Rs. 35000/month fixed.

Essential Qualifications: M. Sc. in one of the following subjects: Biochemistry/ Biotechnology/ Bioinformatics with a minimum of 2 years research experience on computational analysis of biological data.

Desirable: Experience in molecular dynamics simulation analyses and that of on Linux platform.

Publications in referred journals having SCI impact factor and knowledge of programming languages such as Perl/JAVA/R/Python

2. Computer Programmer cum Technician- 01: Pay @ Rs. 20000/month fixed.

Essential Qualifications: BCA/B.Sc. with computer science/ Diploma CA with a minimum of one year experience of working in a research laboratory/industry/ company.

Desirable: Experience of working in the field of computational biology with knowledge of programming languages such as Perl/JAVA/R/Python

Number and nature of the positions may vary. All the positions are coterminous with the financial support.

Apply on plain paper giving bio-data with photograph and email address and details of working experience along with self attested copies of the certificates. Application must reach to the following on or before **March 12, 2018**.

Only short listed candidates will be called for Interview. Separate letter will be sent through email for the interview. Candidates appearing for the interview will not be paid TA/DA.

Send application at following address:
